

Fagún www.fagun.is

Icelandic Society of Fermentologists
founded May 2009

Beer brewers, winemakers, cheese makers, bread bakers. (But mostly brewers)

Focused on spreading knowledge of fermentation, culture of fermented/cultured food, improving the image of home made food and drinks, and push for clearer and more flexible laws on home brewed beer and wine (explicitly not a distillation society)

Members around Iceland

Monthly meetups at Kex, first Monday of every month (~15 people)

Annual Keg Party BBQ in the park on Menningarnótt (August)

Annual home brew competition every spring. (XX entries last year)

Oktoberfest, Autumn festival, Brewery tours, you name it

XX registered members, 350 members on chat board active in last 12 months

Membership 5000kr / year, covers buses/events

Bank details: 0323-26-63041, Kennitala: 6304102230
